RE: 2020 Ohio Galaxies College Showcase

On behalf of Ohio Galaxies FC, we would like to request the release of all club players, from your school, to participate in the 2020 Ohio Galaxies College Showcase. The Girls Showcase is being held from Friday, March 6 – Sunday, March 8, 2020 and the Boys Showcase is being held from Friday, March 13 – Sunday, March 15, 2020. The event will be held in the Dayton, Ohio area.

We realize the importance of a player's education and strive to accommodate the academic calendar as much as possible when planning and scheduling our yearly event. The Ohio Galaxies College Showcase, one of the region's top college recruiting events, begins on a Friday and will require the participating student-athletes to miss that day from school. Players participating in our Showcase are exposed to one of the largest concentrations of college coaches in the Midwest. Attracting over 100 college coaches last year, many of the players competing in our Showcase expand their college options by participating in our event. In addition to the recruiting exposure, players are also able to take advantage of the many universities and colleges in the area. Offering some of the top Division I, II, III and NAIA schools locally and regionally, players are encouraged to spend their downtime visiting schools they may not have otherwise visited. In fact, several of our playing venues are on local college and university campuses.

While we understand the importance of education, we also believe that sport has its place for many of our participants. We hope you understand and excuse the absence of student-athletes from school on Friday of the Ohio Galaxies College Showcase.

Please feel free to contact us with any questions you may have. Our Tournament Director can be reached at [sid@ohiogalaxies.com](mailto:sid@ohiogalaxies.com).

Regards,

Ohio Galaxies College Showcase Committee
